## 8.1 INTRODUCTION

- (1) This section sets out the processes and procedures for the generation of fixtures for matches under the control of the Association.
- (2) The goals of the fixture generation are to ensure that as far as practical:
  - A) Each Club is given an equal number of home and away games for the competitive fixture.
  - B) Minimise the number of double home/away sequences.
  - C) Have no triple home/away sequences.
  - D) Each Clubs will have as many teams at home in the same round as often as possible.
  - E) Each team, at each grade, plays all other teams the same number of times.
  - F) MiniRoos fixtures can either be a combination of home/ away fixtures or Gala/carnival events. At the discretion of the Fixture coordinator.
- (3) For the MiniRoos carnival locations the following will apply:
  - A) Only Clubs close to or in Ballarat will participate in the MiniRoos carnivals on a weekly basis i.e. Horsham, Maryborough and Warrnambool MiniRoos teams will not need to travel to Ballarat on a weekly basis.
  - B) MiniRoos events may be split over multiple venues, in the event that the principal venue is too small to host all Games.
  - C) As far as practical the away competitive Clubs will host the MiniRoos carnivals, but to ensure an even distribution of MiniRoos carnivals, some home Clubs will host a MiniRoos carnival.
  - D) MiniRoos will rotate through the Clubs to ensure, as far as possible, that Clubs hosts the MiniRoos carnivals in relationship to their MiniRoos player numbers.

- (2) Once a cycle has been completed, i.e. 5 rounds in a 6 team grade, the cycle is repeated, with the home and away team reversing at the completion of each cyclic, until the correct number of rounds have been played.
- (3) Clubs should note that it is not possible to ensure that all teams play each other the same number of times unless the number of rounds is twice the number of teams less 1. For the Association's 18 week season only a grade with 10 or 9 teams will all teams play each other twice.
- (4) As the Division 1 (Firsts) Open play each other team the same number of times the allocation of Clubs to team numbers in the draws will be adjusted to ensure as far as practical as many as possible of the Club's teams will be at home in the same rounds.
- (5) If a Club withdraws a competitive team after the team entry date then:
  - A) If the number of teams decreases to an odd number a bye will be introduced.
  - B) If the number of teams decreases to an even number the draw will NOT be redone and the 2 teams with a bye will play each other.
- (6) The MiniRoos draws will be redone if the number of teams increases.
- (7) The MiniRoos draw will NOT be redone if the number teams decreases.
  - A) If the number of teams decreases to an odd number a bye will be introduced.
  - B) If the number of teams decreases to an even number the 2 teams with a bye will play each other.

### 8.3 FIXTURE ALTERATIONS

- (1) After team entries have been finalised, the draw i.e. who plays who in each Round, will be fixed and not alter for the rest of the season unless a team withdraws.

- (2) The Association's Board reserves the right to move the location of matches if grounds are deemed unplayable or unavailable. If matches have to be moved then the Association will attempt to swap the corresponding game in the latter part of the season.
- A) In swapping home rounds the receiving Club may be required to travel away for 3 or more weeks in a row in the later part of the season. The Association will attempt to minimise these away sequences.
  - B) Some ground changes will mean that neither team play at home i.e. both teams are "away". Under these circumstances the "home" will lose their "home" match.
  - C) The Association will attempt to notify Clubs of any location changes as soon as they are known. To provide some certainty, changes will be notified either 12 or 5 days before the scheduled games.

  - B) If a Club has only Division 2 and Division 3 teams the Division 3 team will be schedule for 3 pm.

- A) The number of MiniRoos pitches will depend on team entries and grades.

## 8.5 COMPETITIVE DRAW

- (1) The competitive fixture will be based on the draw tables of Section 8.2
- A) The Board reserves the right to promote the winner of a lower Division competition e.g. Division 2 (Reserves), to a higher Division, e.g. Division 1 (Firsts), and demote the last team in a higher Division to a lower Division.

## 8.6 MINIROOS DRAW

- (1) The non-competitive fixture will be based on the draw tables of Section 8.2
- (2) MiniRoos events may be split over multiple venues, in the event that the principal venue is too small to host all Games.
- (3) The MiniRoos season will be the same duration as the Junior Competitive Home and Away season.
